EXPERIENCE CERTIFICATE

To Whom It May Concern,

This is to certify that **Mr. Raja S** was employed with **CAPSRO** as a **Front-End Developer** from **May 2025** to **October 2025.**

During his tenure, he demonstrated excellent technical proficiency and creativity in front-end web development. Raja was responsible for designing and developing responsive, user-friendly interfaces.He actively collaborated with the design and backend teams to ensure seamless integration, optimised performance, and consistent user experience across multiple platforms.

His key responsibilities included:

- Developing and maintaining responsive web applications.
- Implementing interactive UI components and ensuring cross-browser compatibility.
- Optimizing front-end performance and accessibility.
- Collaborating with designers to translate wireframes and prototypes into functional interfaces.
- Contributing to code reviews and front-end best practices.

Throughout his tenure, Raja displayed strong problem-solving skills, attention to detail, and a proactive attitude toward learning and innovation. He was a dedicated team member who consistently delivered high-quality work and contributed positively to our projects.

We thank Mr. Raja S for his valuable contributions and wish him continued success in all his future professional endeavors.
